Collaborators for indexing (not authors)

The following individuals contributed to the conduct of the study but do not meet the ICMJE criteria for authorship.
They are listed as collaborators for indexing purposes only. Where individuals held multiple roles they are listed once, according to their most Senior Role.

ACCESS Steering Committee

Pierre-Yves Dewandre, Thierry Girard, Emilia Guasch, Alexander Ioscovich, Nuala Lucas, Estelle Morau, Sharon Orbach-Zinger *other Steering Committee Members are named manuscript authors
